Dear Brother Lewenza:

RE: Earthquake Disaster in Haiti

Enclosed is our donation cheque in the amount of \$1,000.00 as our contribution to the Haiti Aid Relief Fund.

The extent of the devastation shown in the news accounts truly depicts the human hardship encountered as a result of the earthquake.

It remains our hope that the donation sent by this Local and with the contributions of other Locals, this can truly reflect a re-construction of Port au Prince and surrounding areas.

Yours in Solidarity,

Richard Paquin, President,  
Executive Board & Members
