Re: Sam McAughey

From: Frank, Sam, Niki

As most of you already know this morning at approximately 5:00 a.m we were devastated to hear the news of our long time friend/colleague who past away in his short battle with cancer.

Sam played an intricate role with the CAW in being a Union Steward, a Picket Captain and Liaison in the communication between the Committee and our Union Family in 2008.

Sam was a very caring person with many talents that he shared with most of us. Sam was a caring and dedicated husband and father, painter, woodworker and ,the most shared, a wine maker just to name a few.

We will all mourn the loss of a great man but will continue to keep him in our thoughts and prayers.

As arrangements are being prepared our fellow Brothers, Sisters and Colleagues will be notified of dates and places as they become available.

In Solidarity,
Frank, Sam, Niki
