

LOCAL 598/CAW NEWSLETTER

The Walford on the Park

June 24th, 2010.

Dear Sisters and Brothers:

Linda, Anne Marie and I had our Union/Company meeting on Friday, April 30th. There were quite a few issues brought to the meeting.

Linda and I had tried to get two short shifts for help on the PSW side, which was unsuccessful. Don't get discouraged; we are still trying.

We also brought up some safety issues like the railing out back, the door that the residents use to access the smoking area being too hard for them to open. Betty stated that she will be looking into these issues and getting them fixed.

We have also put a log book in the nurses' office to write down any maintenance issues that require attention. This book is for all departments to use, so please, when you see something is not working properly, please write it down.

There was a general membership meeting on Wednesday, June 23rd at the Mine Mill Local 598/CAW campgrounds on Richard Lake. There was a BBQ at 6:30 p.m. with the meeting following at 7:30 p.m. These meetings are held to keep you informed about issues that concern everyone. This is also the time to let your issues be heard. So please, try to attend the next general membership meeting on September 8th.

I hope everyone has a safe and happy summer.

Just a reminder – the Local is only as strong as the members make it.

In Solidarity,
Alison McGhee, Unit Chair,
